EDUCATION

M.A. in Economics, Sungkyunkwan University (SKKU)

- Overall GPA: 4.4/4.5

Seoul, Republic of Korea

Mar. 2026 - Present

B.A. in Economics, Sungkyunkwan University (SKKU)

- Overall GPA: 4.25/4.5
- Major GPA: 4.34/4.5

Seoul, Republic of Korea

Feb. 2022

FIELDS OF INTERESTS

Applied Microeconomics, Labor Economics, Gender and Social Inequality

PUBLICATIONS

Son, H., & Kim, J.S. (2026). The Impact of Lockdown Policies on Social Capital: Evidence from Australia. *Social Indicators Research*. <https://doi.org/10.1007/s11205-026-03804-0>.

RESEARCH EXPERIENCE

SKKU-NTU Academic Conference | *Advised by Prof. Jun Sung Kim*

SKKU

Topic: The impact of AI on labor market inequality

Fall 2025

- Employ a shift-share IV strategy to estimate the causal effect of AI exposure on labor market inequality
- Construct industry and commuting zone-level AI exposure measures and analyze heterogeneous labor market effects using Stata

Undergraduate Research Program | *Advised by Prof. Jun Sung Kim*

SKKU

Topic: Do robots increase the unemployment rate?

Winter 2024

- Estimate the effect of industrial robot exposure on local labor market outcomes in Korea using a shift-share IV strategy
- Construct a harmonized district-level panel by reconciling changes in administrative boundaries across Korean municipalities

Undergraduate Research Program | *Advised by Prof. Jun Sung Kim*

SKKU

Topic: Do robots make people socially isolated?

Fall 2024

- Examine how increased exposure to industrial robots affects social capital using panel data and a shift-share IV strategy
- Construct regional robot exposure measures by combining industry-level robot adoption with local employment composition

TECHNICAL STRENGTHS

Computer: Stata, Python, L^AT_EX, Typst

Languages: English, Korean (Native)

ACTIVITIES

Becoming Economists, Reading Group

SKKU

- Vice President
- Presenter and Organizer

Fall 2024 – Spring 2025

Spring 2024 – Fall 2025
